

STAT Operational Code of Conduct

As a STAT Volunteer Member, I agree:

- To maintain communication with the team leader and request clarification when necessary.
- To work as part of a team and abide by the directions of the team leader or other persons in authority.
- To have appropriate clothing and equipment and can be self-sufficient.
- To not attempt a task for which I am not physically or emotionally prepared or trained for.
- To respect crime scenes and evidence in accordance with any training I may have received.
- To remain with any evidence I locate and notify authorities of its location and nature immediately.
- To check in and out with organizers each time I respond to assist.
- To abide by local, state and federal laws.
- To abide by the STAT Code of Conduct stated in the attachment to this application.
- That I understand the risks involved in search and rescue and understand and agree to the STAT Waiver of Liability.
